

April 5, 2019

Effective July 1, 2019, Shafer's will no longer be offering retail bus trips to the public. The changing demographics of the Southern Tier, along with the changing business climate in our area, have led us to make this decision.

We appreciate the patronage and support of all of our retail customers over the last 15 years, and we will continue to serve the traveling public with our preformed group tours and our charter service.

If you have any questions concerning this change, please see me.
